Gaza Winter Shield

Providing Safe Shelter for Displaced Families

Warmth, dry ground and dignity for families facing winter — together, we can shield them now.

Winter Is Here. Families Need Shelter Now.

THE NEED · WINTER 2026

Gaza's winter has arrived and temperatures are plummeting. Existing tents are flooding and collapsing, leaving displaced families exposed to the cold, the rain and the risk of hypothermia and respiratory illness.

Gaza Winter Shield delivers thermal protection and weatherproofing for winter 2026: dry, secure shelter, built with local hands, for the families who need it most.

$25,000

Our target to shield families this winter

Our objectives

Keep the rain out

Distribute waterproof tarpaulins.

Restore what stands

Repair damaged tents.

Build new shelter

Procure and assemble new tents.
